

New Wave Components is an independent distributor of electronic components specializing in:

- Cost Savings
- Obsolete Product
- Reduction of Long Lead Times

Services include:

- Testing
- Tape and Reeling
- Excess/Obsolete Inventory Management
- Domestic and Offshore Sourcing
- Scheduled Shipments
- Kitting

Manufacturers:

Advanced Linear Devices
Agilent Technologies
Allegro Microsystems
Alliance Semiconductor
Altera
AMP Industries
Amphenol
Analog Devices
Apple
Atmel
AT&T Microelectronics
AVX
